

COME BE A VENDOR AT THE 2018 Agility Association of Canada's ONTARIO WEST REGIONALS CHAMPIONSHIP!!

Held at the REACHHuron Centre in Clinton, Ontario. (we will be here again in 2019 too!)

This three ring spectacular is a competition, a Regional Championship for the Ontario West portion of Canada, as well as a Qualifying Event for the AAC National Championship to be held in Maxville, Ontario in August of 2018. In the past, competitors have come from as far away as Thunder Bay, Ontario and Michigan to test their skills against Western Ontario's best. As Western Ontario is home to many previous Regional, National and World Agility Champions, the competition is sure to be fierce and fun!!

Friday, May 25th will a warm up event, an AAC Sanctioned Agility Trial held in two rings, with a warm up ring available for a bit of training. Teams need not be entered in the Regional Championship to enter the warm up trial.

Saturday, May 26 and Sunday May 27 will be a 6 class, cumulative scoring with the overall winners announced on Sunday afternoon. Sunday afternoon may include a Relay for Charity (details to be finalized).

Since the 2018 AAC NATIONAL CHAMPIONSHIP will be held in Eastern Ontario, we expect a bumper crop of entries at this year's event, and these folks like to shop!! More event info: www.tollhaven.com

PRODUCTS

While dog related items, especially supplies for dog sport training, are a good bet to sell at an event like this....competitors also deal with outdoor gear, camping, footwear, hats, vehicle storage, custom vehicle crates and the list goes on. If you think you might have a product with a good fit for this group, get in touch!

BOOTHS

Indoor booth spaces in the lobby are very limited and will be allocated to the Vendors who sponsor awards. All other vendor spaces will be outdoors, just outside the south door, in front of the tent crating area.
